

Congregation B'nai Israel  
Gainesville, Florida

## **Membership Commitment 2011-2012 Fiscal Year**

Congregation B'nai Israel has been creating community in Gainesville for over 85 years! We celebrate joyful Jewish life and learning, and we strive to enrich our community through Jewish study, worship and acts of loving-kindness.

To help us fulfill our mission, serve our members, educate our children and involve ourselves in the community, we appreciate and rely upon the financial commitment of our members. We operate with a Fair Share Dues System, which is based on our members' desire to support B'nai Israel according to individual ability as determined by household income.

You are not asked to disclose your income, but only to accept those dues that are justly applicable to you. No financial documents are required. Rather, we ask you to use the dues schedule below as a guideline for establishing your fair share dues pledge as honestly and accurately as possible. We welcome additional contributions from those who are able to contribute more than suggested by the guideline. All financial information is treated confidentially.
