When you login to the website you will see a toolbar on the left side of the screen (like the one on the left) that will allow you to navigate through the various pages of the website. You can find School Information, a Message Board to post questions, Calendar of Events, Your child's Class Page, and Photo Albums that encompass school-wide events and classroom activities.

Building Self-Esteem

The Class Page will allow you see the Supply List for each class, allow you to learn a little about the teachers that will be in each classroom, as well as view the lesson plans week by week to see what is going on in each classroom.
